To the People of Lee County and Our Central Carolina Neighbors:

The members of the Sanford Lions Club extend to each of you and your family, an invitation to visit the Lee County Agricultural Fair for 1966. A warm welcome awaits you and we will do everything possible to make your attendance a pleasant occasion.

We sincerely hope that you have already made your plans to participate in your fair. It is a genuine pleasure for us to sponsor this annual event, and you have our heartfelt thanks for your wonderful and continued support through the many years. You have helped to make the Lee County Fair one of the largest and best county fairs in North Carolina. It is the oldest county fair in our state, to be sponsored continuously by the same organization. Listed on the next page, you will see some of the projects and activities which have been made possible by the proceeds derived from your county fair. Please note that the Lions Club is a non-profit organization and that no Lions Club funds have ever been spent to benefit any individual member of the Lions Club.

Improvements to the fairgrounds and programs for fair week are made as often as possible, for your comfort and pleasure. Please examine the premium listings and help us to make the 1966 Lee County Fair the best ever. Plan now to participate and enjoy the exhibits and entertainment offered.

Sincerely,
GORDON L. FOGLE, President
Sanford Lions Club.

When *Time* Is *Money*!

Electric Farm Equipment *PAYS FOR ITSELF*

It's no secret that profitable farm operations today depend on modern electric power. Every day more and more farmers save time and energy with a flip of the switch. Reddy Kilowatt cuts costly manual labor and time consuming hours and invests them in producing! He's a helping hand... milking cows, grinding feed, pumping water—doing dozens of jobs quickly, efficiently and automatically.

See how Reddy can work for you... his wages are low and with his help, you'll lighten chores, improve production and boost profits.

FARM BETTER ELECTRICALLY
